4、Applicable Range

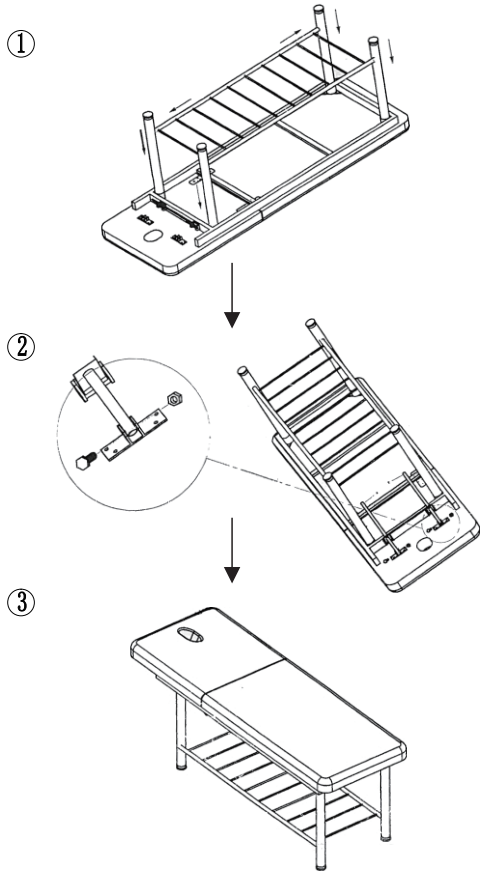

These beauty beds are suitable for beauty, massage and manicure treatment.

5、Installation

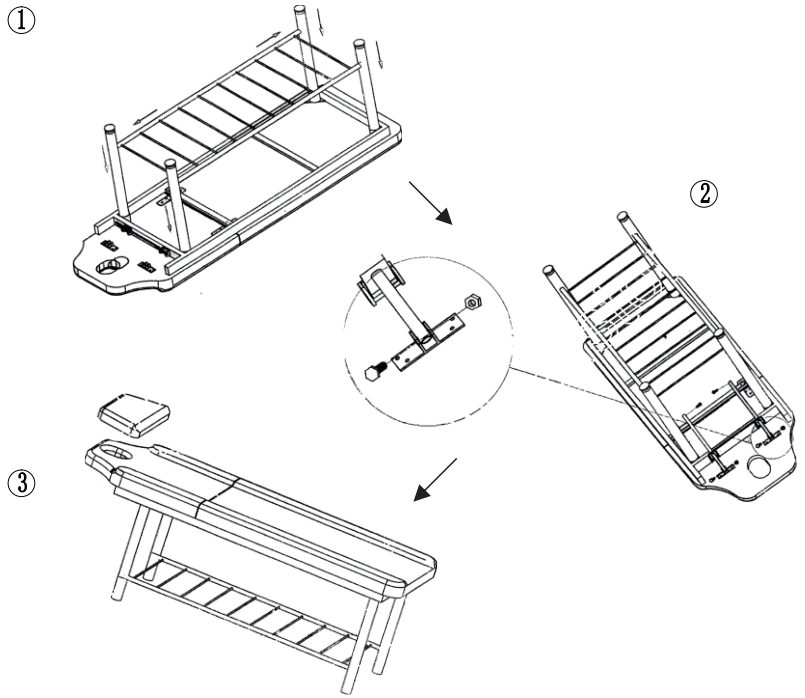

1. Put the bed to a proper location, according to the overall layout, the daylighting or artificial lightings and operation condition of the salon's or the home. And keep it in the clean, dry and cool environment.
2. Open the packing carton to check if the bed is intact and whether the accessories or spares are complete. Please contact distributor or us if there's any problem.
3. Installation
   Place the bed to the proper position. Please note that it is unnecessary to install extra screw on the floor to fasten the bed, because the original design has taken the stability performance into consideration. But please ensure the bed is placed on a firm and flat ground, so as to prevent any accident.
   Installation Guide for Beauty Bed Model 2260
   If the bed rotates or slant due to rough ground, please adjust the four pieces of plastic feet (M10×30) and nuts (M10) by hexagon open-end wrench, which are fasten on the bottom panel, so as to ensure the bed is stable.

Folding Bed Operation

①Loose the lock

②Lightly Push the joint position

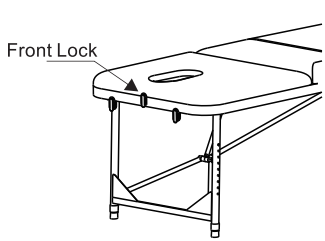

③Fold the bed

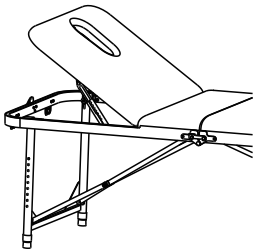

④Put in the back feet and front feet separately

⑤Lock the bed tightly

The way to adjust backrest angle:

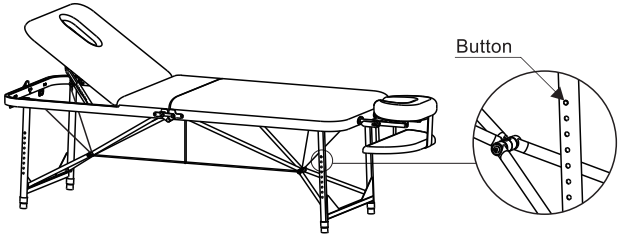

1. Release the front upholstery buckle.
2. Lift up the backrest section by hand to the desired angle. Release and it will lock into place automatically.
3. Lift up the backrest section again to the greatest angle. Release and backrest lay down lightly to the original position, then lock the front upholstery buckle.

The way to adjust lifting:

Position the bed on its side firstly when adjusting the height. Press the elastic pushbutton and pull out the extension leg at the same time. If you want to lower the bed height, please push the extended leg back to the desired length. Ensure the elastic pushbutton has aimed at the hole and lock it in place. Adjust four bed's leg to the same length, then to turn the bed upright.

6、Technical Parameters

Environment Temperature	0°C～+40°C
Relative Humidity	30%～90%
Lifting Rated Load	175 kg

Model	2203	2204	2209B	2243	2260
Product Size	1830x630x640	1830x610x640	1840x740x610/820	1860x700x750	1860x680x800
